# Could You Transform a Child's Life?

Have you ever thought about opening your heart and home to a child in need? Fostering is a rewarding experience that allows you to make a life-changing difference to vulnerable children, providing them with a safe, loving, and nurturing environment.

At Silver Lining Fostering, we are proud to be rated Outstanding by Ofsted. With us, you can give back to your community, work from home, and make a career.

## *What is Fostering?*

Fostering is a way of providing a family life for children who cannot live with their birth families. As a foster carer, you will care for a child or young person and offer them a safe, stable home where they can thrive.

# Why Choose Silver Lining Fostering?

- **Outstanding Ofsted Rating:** Recognising our exceptional support for carers and children.
- **24/7 Support:** Our Out-of-Hours team responds quickly and can visit you when needed—unlike council services that often take hours.
- **More Variety:** Work with children from over 50 councils, offering a wide range of placements.
- **Personal Touch:** As a smaller agency, you'll never feel lost in the system. Our directors are personally involved and available to support you.
- **Generous Allowances:** Weekly fostering payments of up to £750 (enhanced placements), plus annual bonuses and additional rewards.

## Who Can Foster?

You don't need to be a superhero—just someone with love, patience, and a commitment to make a difference. You can foster if you are:

- A UK resident.
- Over the age of 21.
- Have a spare bedroom.
- Able to provide a safe, stable, and nurturing environment.

We welcome carers from all backgrounds, whether you're single, married, divorced, in a partnership, or part of the LGBTQ+ community.
