#### SEPTEMBER 2025

### Sounds Historical present 'More than a Woman'

Saturday 20th September 2025 at 7.30pm

Sounds Historical introduces us to some remarkable early modern women who left a tangible musical legacy in many ways - including as successful performers, composers, patrons of writers, instrument makers, muses, poets, printers and publishers.

The personalities range from the magnificent Isabella d'Este, who turned her Mantua court into a glittering cultural centre which remains a tourist magnet still, to the hapless Anne Boleyn - the 'other woman' who precipitated Henry VIII's first divorce, caused England to break with the Roman church, and who was beheaded for treason after only 3 years of marriage.

Generously supported by SCCT Sutton Coldfield Charitable Trust and the Continuo Foundation, this concert forms part of Birmingham Heritage Week in Royal Sutton Coldfield.

#### OCTOBER 2025

### Steve 'Big Man' Clayton - The Boogie Man From Birmingham!

Saturday 18th October 2025 at 7.30pm

The King of Barrelhouse returns to his hometown to give a performance of down-home Blues and Boogie Woogie piano. With Howard Smith on Drums and John Potter on Bass.

A superb songwriter, the 'Big Man' will be playing and singing a mixture of his own compositions as well as songs from artists who have been a big influence on him: Ray Charles, Jerry Lee Lewis and Fats Domino to name a few.

This award-winning piano man has lived the past 26 years in Germany but always looks forward to performing 'back home' where he can meet up with his fans, old and new.

So come along because it's Boogie Woogie Time!

#### MARCH 2026

### Sensation ABBA

Saturday 14th March 2026 at 7.30pm

With Sensation ABBA Tribute Band, you'll immerse yourself in the authentic ABBA experience!

Sensation will transport you back to the golden days of ABBA, with stunning harmonies, costumes, choreography, and a sprinkling of light-hearted humour.

This unique combination has turned them into one of the most sought-after ABBA Tribute Bands in the world. In fact - they even speak a little Swedish on stage, to add to the whole experience!

#### MAY 2026

### Royal Sutton Coldfield Orchestra

Saturday 16th May 2026 at 7.30pm

Enjoy an entertaining summer evening of glorious classical music with the musicians of the Royal Sutton Coldfield Orchestra. Currently celebrating its 50th anniversary season, the Orchestra is made up of around 50 fine amateur players from the local area who perform a wide-range of music, from symphonies and concertos, to popular classics and family favourites. The vivacious conductor Sabrina Ko will direct, with Jeremy Blunt leading, in a concert that will showcase the whole orchestra.

#### JUNE 2026

### The Birmingham Savoyards present 'An Evening with Gilbert and Sullivan'

Saturday 27th June 2026 at 7.30pm

'An Evening of Gilbert and Sullivan' will take the audience through a selection of music from a wide range of the duo's comic operas.

The Birmingham Savoyards have been entertaining Birmingham audiences since 1963 and are now one of the very few remaining Gilbert and Sullivan specialists in the Midlands.

They perform their main annual production each March at The Old Rep theatre in Station Street, Birmingham and for the last two years have been guest performers at the Henley Arts Festival.

"I now have more confidence and go to more places, as I find road signs and timetables easier. I am a keen cook and can now shop knowing I can find just what I want. And I'm reading to my daughter!" - Sean, Reader

© Read Easy UK. All Read Easy groups are legally and financially independent local organisations, affiliated to Read Easy UK (Registered Charity: 1151288)

**Read Easy**  
Helping adults learn to read

## Do you know someone who struggles to read?

Read Easy provides free and confidential one-to-one reading coaching for adults.

It's friendly, flexible and fun!

## What we do

**Read Easy volunteer groups support local adults who want to learn to read or improve their reading skills, at their own pace and without pressure.**

More than 7%\* of adults in England never learnt to read at school. There are many reasons why some people find it difficult to learn to read when they are children, but the really good news is that it's never too late to learn!

\*Skills for Life Survey, 2011 (Dept. BIS)

### Getting started is easy!

Read Easy will provide those who want to learn to read with a volunteer to help them, special reading manuals to work through, and a place to meet.

Above all, it's confidential, so there is no need for anyone to feel embarrassed.

### Who can learn?

Read Easy is suitable for any adult who wants to learn to read or who struggles with their reading. Whatever someone's starting point, each person will be taken back to basics and can then work at their own pace, so there's no pressure.

### Who can volunteer to help?

Anyone who can read fluently themselves can apply to become a volunteer Reading Coach with their local group. After an initial selection procedure, volunteers will be given training and then matched up with those who want to learn.

### What books will we use?

Read Easy Coaches and their Readers use the phonics-based **Turning Pages\*** manuals as their main resource. The manuals are easy to use and, with instructions for the Coach on every page, enable anyone who can read to coach someone else.

The programme also includes lots of reading books, especially written for adults, which can be read alongside the manuals.

\* Published by Shannon Trust

### Where do we meet?

Readers and their Coaches will be given a choice of places to meet, so that they can choose somewhere that suits them both.

All our reading sessions take place in quiet, discreet venues, so that people can work without being overlooked, but where there will always be other people around.

### How long will it take?

Reading sessions last half an hour and take place twice a week. Some people complete the course in as little as a year, while others take more than two years.

Certificates are presented at intervals to recognise progress.

By learning to read, adults improve their employment opportunities, confidence, self-esteem and general wellbeing and are able to support their children's or grandchildren's reading.

## Step 2: What are some options?

### 1 Council Support Schemes

People on low incomes may be eligible for **Housing Benefit**, **Council Tax Support** and **Discretionary Housing Payment** from the council. This will depend on your current circumstances. You may also be eligible for a **Council Tax Discretionary Hardship Payment**, **Crisis Grant** or **Community Support Grant Payment**.

Find out more at: [www.birmingham.gov.uk/benefits](http://www.birmingham.gov.uk/benefits)

### 2 Maximise Your Income

Anyone who is struggling financially can get a benefit check and speak to an advisor for free and confidential advice. A benefit check can ensure that you are receiving all the money you're entitled to, especially if your circumstances have changed recently. Speaking to an advisor could also help you find cheaper deals on things like gas and electricity and make sure you're not missing out on things like school clothing grants or free school meals.

### 3 Debt Advice

Debt can happen to anyone. Free advice and support can help you find ways to manage your debts and reduce how much you pay each month.

## Step 3: Where can I get help? Each of these services offer free and confidential

## About this leaflet

This leaflet is based on learning from Scotland's A Menu for Change project and has been developed with support from the organisations below. You can access the 'Worrying About Money?' leaflets online at [www.foodaidnetwork.org.uk/cash-first-leaflets](http://www.foodaidnetwork.org.uk/cash-first-leaflets). ## 4 Benefit Advance

If you have made a new claim for benefit and are in financial hardship while you wait for your first payment, you may be able to get an advance to afford things like rent or food. It's important to get advice before taking out an advance. Benefit advances must be paid back, and the money will be taken from your future benefit payments (a loan).

## 5 Hardship Payment

If you have been sanctioned, you may be able to request a hardship payment from the Jobcentre. Hardship payments are not always paid immediately, and they're not available to everyone. Hardship payments of Universal Credit need to be paid back (a loan), but hardship payments of Job Seekers Allowance or Employment Support Allowance do not (not a loan).

## 6 Challenge a Decision

You can challenge a benefit decision if your benefit has been stopped / sanctioned / reduced / refused or you have been overpaid. Most benefit decisions need to be challenged within one month.

## Grace Cares is a not-for-profit organisation

which has been set up to support older people, their families and care workers across the UK.

We collect, donate and sell pre-loved care equipment to enhance people's quality of life, support care workers and older people in need with grants and community groups and leave a better planet for future generations.

One of the ways we support our local community of Lichfield is by holding monthly tea parties for the over 75's which provide vital, life-enhancing social connections for older people at a time in their lives when their social circles are diminishing.

## Alan Ledger

### MEET THE PHOTOGRAPHER

Alan Ledger is a lifetime steam train enthusiast, photographer & now a retired Train Driver.

After starting work as an apprentice fireman on the railways at age 15, he worked as a train driver right up until his retirement in 2009. In his lifelong career in the railway industry, he personally witnessed the end of steam rail in Britain and captured his unique perspective on these events through his photography collection.

His passion for all things steam, first ignited in his childhood and teenage years, has continued throughout his life, along with a passion for photography. The thrill of capturing that perfect shot, has sent him traveling throughout the world and throughout Britain to this day, taking pictures of engines. With his camera bag slung over his shoulder and his trusty step-ladder under his arm, Alan is known to go to great lengths to find the perfect position to get the right shot, often getting himself into some precarious positions in the pursuits of the perfect shot of a passing steam engine!

Alan is also an accomplished mountain climber, spending many years in reaching some of the tallest and most inaccessible summits in Scotland and the Scottish Isles. In 2012, he became one of the a select club of climbers to complete all 285 Munro's in Scotland (**his name is listed in the official Munro compleators**).

In 2020, after suffering a cardiac arrest and spinal stroke, Alan became a paraplegic and thus a wheelchair user. Despite all his ongoing health and mobility challenges, he works hard to remains an active train photographer, still making trips to see and photograph steam engines whenever he can.

### ALAN'S BIOGRAPHY

"Trains have always been a significant part of my life and a passion that has been in my blood for as long as I can remember.

My dad's parents lived at Sonning beside the railway, so close to the railway in fact you could hear and feel the vibration of every passing train. For as long as I can remember I spent at least two weeks of my school holidays sitting trackside, down in the cutting watching the steam hauled trains pass by, taking the numbers as we did back then.

I remember taking packed lunch's my grandmother made for me and standing on a platform next to the track, sidelight down in the cutting by the A4 road bridge. Long happy days seeing many of the legendary named and unnamed Great Western engines and the Britannia's from Cardiff Canton. I knew then at the age of 5 or 6 that I wanted to be a train driver.

This dream did come to fruition and as an adult I was able to drive trains through the cutting at Sonning, en-route from Birmingham to London Paddington and Brighton, which never fails to bring back happy childhood memories that little boy train spotting.

I never wavered in my desire to be a train driver, much to the disappointment of my career officer who did all he could to dissuade me, citing poor pay and dirty work... all of which proved to be true of course!

So, age 15 years and 1 Month, I started my working life as a steam engine cleaner at Saltley, Birmingham. I would become very fortunate to be part of the Saltley depot in terms of the rich experiences, the variety of work and many of the colourful characters, all very different but united in their love of our place of work.

To qualify as driver in those days you had to be twenty three years of age before becoming fully competent. So for the next 8 years, I was cleaning and firing steam engines before their sudden demise at Saltley in 1967. Not surprisingly, I became very well acquainted with steam engines and it seemed a natural progression to want to capture them on film, hence my developing interest in photography during these years.

Unfortunately, steam traction finished all too quickly, and August 1968 saw the last working steam on the main lines of Britain. In order to pursue my interest in steam and photography now meant travelling abroad.

Fortunately I wasn't alone in my passion to see steam engines at work, so were several colleagues at work. So when Alan Tregenna, Dave Wright and Bob Pitman organised, just two months later, our first venture to Calais and Boulogne in France to see the last G and K class compound Pacific's at work, only months away from their retirement. When we embarked off the ferry at Calais we came across the Paris bound 'Golden Arrow' train and this was what we had come to see, with 231K16 at its head.

I can remember vividly the excitement of being there, and then it was all aboard to Boulogne. Our trip only lasted two days but in that period I took 30 or so pictures, in black and white with my dad's old German 120 camera. That camera lasted for another year before giving up the ghost and was replaced with a new Praktica 35 mm model.

So started many years photographing all over Europe with visits to South Africa and China, building my collection of photographs which spans all those years up until today."

Hi all,

This was the scene a few weeks ago out near Tamworth on the Statfold Farm Railway at their steam weekend where approximately 12 engines were in steam running a very busy timetable. First of two pictures of two engines waiting to back up to the station at Statfold Junction. The second picture is taken at Oak Tree Halt a busy passing point for the trains about halfway round the circuit. It's really a nice day out to just sit somewhere and watch the trains coming and going every few minutes. Sunday 9th March 2025.

Regards  
Ledg.

See next page

Hi all,

1975 was a bad year for going abroad, I had just bought a house that needed plenty of work on it so just one trip was made on a two dayer to northern Germany.

Unfortunately the weather was dire. Day one thick grey cloud, day two thick grey cloud and heavy rain. We had given up on the action shots and had made our way to Rheine and the depot even here you needed a tripod! To get any decent pictures.

Three engines stand on the disposal roads, 042-105 2-8-2 oil burner, by now all of this class was stationed here at Rhine and there were a good number of them. Class 050

2-10-0 052-188 although the largest class of steam engine in West Germany very few seen here. Finally, the tender of 043-336 a 3 cylinder 2-10-0 most of which were

Allocated at Rheine with some at Emden. This one is having its water and oil tanks replenished before its next duty probably north on one of the many block trains bound for the docks at Emden.

April 1975.

## Welcome to our monthly Newsletter

Hello All!

We hope you're well and have enjoyed a Summer break, what fantastic weather it has been! This month we have some exciting upcoming plans, including taking part in a boot sale at Minworth... not to buy and sell, rather to take part in an exchange of conversations! We'd love to find out what activities people would like to see in Minworth - we want to get to know the area better and discover the gaps.

As usual, if you have any relevant snippets for our October newsletter, or would like to share an NNS 'Story of Difference' please get in touch at [nns@ageconcernbirmingham.org.uk](mailto:nns@ageconcernbirmingham.org.uk)

## STORY OF DIFFERENCE

### VI Social – Visual Impairment Social Group

Last year, VI Social received funding to enhance the accessibility of their monthly advice and guidance meetings, as well as their regular social activities. As part of their efforts, the group has moved to Microsoft Teams, which they've found to be more accessible than Zoom for their members. The funding also supports the development of accessible promotional materials, covers transport and trip costs, and helps with volunteer expenses—all aimed at reaching more people and making their services even more inclusive. What makes VI Social especially unique is that it's entirely run by individuals with sight loss, including the chairperson and treasurer. It's a delight to hear how they've got on!

"After being diagnosed with a degenerative eye condition, a member withdrew from social life and felt increasingly isolated. She discovered VI Social through a hospital referral and now regularly attends in-person events and online meetings. She recently shared:

*"I used to feel invisible. Now I have somewhere to belong, people who understand, and even friends who check in on me during the week. It's completely changed my life."*

One member was born blind and whilst he lives his life fully he has expressed how much he has enjoyed being part of this group and offering support/sharing knowledge with others. He has said:

*"It's been great to be able to give back to those in the group and offer support where I can. It's also great to be able to meet up, have some food and a catchup and be part of this community."*

'L', joined recently from Erdington, and would attend events and activities with her support worker, however at our more recent bowling event she attended on her own which is amazing. She had built the confidence to come independently, on the train which she has not done before, knowing where to go and that there will be a supportive group member waiting for her at the other end.

Ever wondered just how ballet dancers do what they do?

Sat 27 Sep – Sat 21 Feb 2026

Have you ever wondered just how ballet dancers prepare for each of their performances? Look no further than Class on Stage!

This is your chance to look behind the scenes and come and watch the dancers of Birmingham Royal Ballet warm-up and complete their final preparations ahead of one of their performances.

This is a great introduction to Ballet and an opportunity to understand about the amazing strength, skill and stamina of BRB's exceptional world-class dancers.

Internationally renowned dance-circus company Motionhouse returns to Birmingham Hippodrome, with its brand-new production *Hidden*. Thought-provoking and poignant, *Hidden* explores how, in an increasingly divided world, light can come out of darkness in times of crisis. At the cutting edge of live performance and digital integration, *Hidden* is a powerful blend of artforms. Gravity-defying choreography, an emotive soundscape and a shape-shifting set combine with groundbreaking projections to create an immersive world on stage. The fearless performers throw, catch and lift each other with immense precision, thrilling audiences with heart-in-the-mouth moments in this action-packed new production. Building on the successes of previous shows, including 2021's major hit, *Nobody*, the production further develops Motionhouse's distinctive and visceral dance-circus language, where breath-taking dance melts effortlessly into thrilling circus feats. A spectacular and unforgettable production. *Hidden* is co-commissioned by Warwick Arts Centre, Birmingham Hippodrome and FABRIC. Created with support from the John Ellerman Foundation and the UK's innovation agency, Innovate UK.

Fierce Fashions – Luscious Lip syncs – Delectable Dance and a splash of the XXX factor are all on show in this spectacular event. Born out of Queer Black Joy, *Catwalk Extravaganza* are exploding around the UK to sell-out crowds. Following on from the success of the last three Vogue Balls, the *Shout Catwalk Extravaganza* will be the ultimate competition in Lip sync, Dance and Performance. Community participants, professional queer collectives and fierce individual performers are invited to battle it out for the audience, and they will have the power to decide who will be crowd winners.

Please note, for this event you can choose a seated or standing ticket.

1970s London. The streets awash with a fever of political unrest, the rhythm of the sound system culture is birthing a new era of soulful lover's rock, fusing RnB and reggae, amidst the covert Black Power Desk operations of New Scotland Yard. As tensions rise, the community rallies together to stand against injustices and racial divides. "The day you were born Black was the day politics was made your thing." *BLACK POWER DESK* is a powerful reimagining and exploration of what it means to love and fight for freedom. In an often male-dominated world, two sisters, Celia and Dina – both rooted in self-empowerment and fiercely committed to their community, both loyal and motivated by love – are divided by grief and radical politics. A moving story of sisters who need to reconnect for the sake of their community. But will the fight for their community be worth the damage to their sisterhood? Inspired by the historic Mangrove Nine and other influential activists and brought to life by an original score performed by a live three-piece band, *BLACK POWER DESK* is a musical soundtrack charting a fiercely emotive and politically charged era of often overlooked British history for today's generation. At a time of the rise of British Black Panthers, the onset of the Immigration Act 1971, the emergence of Black business ownership and the hails of a generation living through the racial tensions of Great Britain. Premiering at Brixton House, London this Autumn 2025. Written by the critically acclaimed team of Uriele Klein-Mekongo (Roundhouse, The Bush, The Old Vic), Geri Falconer (TONES, HighRise, Stage Debut nominee) and Renell Shaw (Ivor Novello Award, Rudimental), directed by Gbolahan Obisesan (Young Vic, The Bush, Royal Court). Other creatives include Gail Babb, Natalie Pryce, Tony Gayle, and Jessica Cabassa.

## INSPECTOR MORSE: HOUSE OF GHOSTS

Thu 28 Aug–Sun 14 Sep 2025

## MURDER AT MIDNIGHT

Tue 16 Sep–Sat 20 Sep 2025

## THE TALENTED MR. RIPLEY

Mon 22 Sep–Sat 27 Sep 2025

A chilling mystery unfolds when a young actress suddenly dies on stage during a performance, and Detective Chief Inspector Morse embarks on a gripping investigation. What begins as a suspicious death inquiry takes a darker turn when the legendary inspector, together with DS Lewis, uncovers a connection to sinister events in his own past, twenty-five years earlier.

**Inspector Morse: House of Ghosts** marks the first-ever major stage adaptation of the iconic detective. ITV's long-running *Inspector Morse*, hailed by Radio Times as 'The greatest British crime series of all time', has inspired equally beloved spin-offs, *Lewis* and *Endeavour*.

Starring **Tom Chambers** (*Father Brown*, *Strictly Come Dancing*) as Inspector Morse, this original story written for the stage is a must-see for fans of compelling detective stories and thrilling mysteries.

Starring national favourites **Jason Durr** (*Heartbeat*, *Casualty*), **Susie Blake** (*Victoria Wood's As Seen on TV*, *Coronation Street*) and **Max Bowden** (best known for his role as Ben Mitchell in *EastEnders*).

A killer night out! From the writer of *Murder in the Dark* comes a deliciously twisted crime caper like no other.

It's New Year's Eve in a quiet corner of Kent and a killer is in the house...

We meet Jonny 'The Cyclops' – the notorious gangster – his glamorous wife, his trigger-happy sidekick, his mum (who's seeing things), her very jittery carer, plus a vicar who's hiding something, and a nervous burglar dressed as a clown.

Throw in a suitcase full of cash, a stash of deadly weapons, and one infamous unsolved murder...What could possibly go wrong?

Join us for a murder mystery with a difference. One house. Seven suspects and a **Murder at Midnight**...

Written by acclaimed playwright **Torben Betts** and produced by the award-winning **Original Theatre** (*Birdsong*, *Murder in the Dark*, *The Mirror Crack'd*), **Murder at Midnight** is a gripping murder mystery filled with twists, chilling suspense and wickedly dark humour – guaranteed to keep you guessing until the final stroke of midnight

**"I never wanted to murder anyone. It was necessary."**

Step into a world of deception, desire, and deadly ambition. **How far would you go to become someone else?**

Tom Ripley is a nobody – scraping by in New York, forging signatures, telling little white lies – until a chance encounter changes everything. When a wealthy stranger offers him an all-expenses-paid trip to Italy to bring home his wayward son, Dickie Greenleaf, Tom leaps at the opportunity.

But in the sun-drenched glamour of 1950s Italy, surrounded by shimmering waters and whispered secrets, Tom is seduced by the life Dickie leads – the freedom, the wealth, the effortless charm. Fascination turns to obsession, and as his grip tightens on Dickie's world, the lines between truth and deception begin to blur. What starts as an innocent opportunity spirals into a chilling game of lies, identity theft, and murder.

The ten-strong ensemble cast is led by **Ed McVey** as Tom Ripley. **Ed** was one of the stars of *The Crown*. **Bruce Herbelin-Earle** from Netflix's *Free Rein* is Dickie Greenleaf and *EastEnders* regular and *Strictly Come Dancing* finalist **Maisie Smith** stars as Marge Sherwood.

This electrifying new stage adaptation of **The Talented Mr. Ripley** brings **Patricia Highsmith's** iconic psychological thriller, which inspired the acclaimed movie and Netflix series, to life like never before. With razor-sharp dialogue, simmering tension, and a dangerously charismatic antihero, this gripping production will pull you into Ripley's intoxicating world—where nothing is quite as it seems.

## **Cats Protection North Birmingham has a new look - locally and nationally!**

National news is that CP has rebranded into pink and purple, but of course its 'true colours' will never change – nationally or locally - the charity will continue to do all it can for cats and kittens.

Nicole Evans, North Birmingham Branch Coordinator, is delighted. *"We love the new-look - already it's featured in CPs Winter Campaign highlighting the support offered by Lifelines - a temporary fostering service for those fleeing domestic abuse. It will be appearing on our website and social media pages throughout 2024 and beyond. With the new look, we hope to bring the work we do to a much wider audience".*

The CP media team confirm what's new and why. *"We've moved to a more eye-catching and modern look to reach new audiences, raise more money and increase our impact to help more cats."*

\*Anyone considering volunteering for CP can call in to the Cats Protection charity shop on Erdington High Street, meet the team, and express an interest. There are lots of other roles too, like fostering and fund-raising.

### **Direct rehoming – helping owners, potential adopters – and cats**

CPs direct rehoming scheme is benefitting from the new look too - courtesy of a new volunteer - Ellen - who has all the skills to cope with the demands of the role. Sadly, more owners than ever are contacting CP for help in rehoming their cats for a variety of reasons - several associated with the cost of living crisis. So anyone keen to adopt a needy cat should take a look at the Directs page on the North Birmingham Cats Protection website.

Team Cat Rescue has lots of cats and kittens looking for their forever homes. Owners often have to give them up for a variety of reasons - usually a change of circumstances meaning they can no longer care for their beloved pet. And some come into care because they are found wandering and abandoned. If you are not ready to adopt, how about fostering? Or helping Team Cat Rescue with driving or fund-raising? ## Annual health checks for those who are diagnosed with dementia

Information for those who are living with dementia, their families, loved ones and carers

Are you a person living with dementia or do you care for somebody that is living with a type of dementia? (for example Alzheimer's disease, Vascular Disease, Frontotemporal Dementia).

Did you know that if you are diagnosed with dementia, you are entitled to a free annual health check. It is important to undertake annual health checks and it is a key part to an individual's care and well-being.

**What is an Annual Health check?**

- An Annual Health Check is a discussion between you and a Health Care Professional (Nurse, Advanced Health Practitioner, GP) to see how things are going and offer local support on matters which you may find challenging.

**Why do you need an Annual Health Check?**

- The health check will help you keep healthy and get the right support you need if there are any changes to your body or the way you are feeling

**How do you get an Annual Health Check?**

- Each year the patient will be contacted by their registered GP Practice before their annual health check is due. If you provide support to a person living with dementia, and want to arrange an annual health check, then please contact your GP Practice.

**What if you want an Annual Health Check but haven't had one?**

- You or a member of your family can contact your GP Practice and ask for an Annual Health Check appointment
- Tell your GP Practice that you have dementia so they can give you the right health check

**How long does an Annual Health Appointment last?**

- 20-30 mins

**What help might you need?**

- Ask for help if you feel that you might be distressed about going to the GP Practice by yourself
- If you find it hard to tell the Health Care Professional how you are feeling or are worried about having an health check, you can take a member of your family or someone that knows you well
- Maybe write down a list of questions you might want to ask the Health Care Professional

**What happens during the Annual Health Check?**

- The Health Care Professional will ask all about you and how things are at home
- Review medication/weight/height and carry out blood tests
- Identify any changes in behaviour and offer some solutions
- Review planning for the future conversations by identifying a person's wishes and preferences

## COULD YOU VOLUNTEER?

Our Volunteers are legends and we are always looking for more. We wouldn't be able to do all that we do without the amazing work and support of our volunteer team. There are different ways in which you can volunteer for us at The gap\*. We offer all the training that is required and we put all volunteers through the DBS process.

We would love to welcome you onto our team! If you have a heart for young people and seeing them thrive in life please do get in touch. You can do this by emailing us at or scanning the QR code to go straight to our website!

At The Gap we exist to engage, identify and invest in the lives of marginalised young people in Sutton Coldfield and surrounding areas. We look to step into the gap between exclusion and acceptance, between apathy and hope. We seek to demonstrate that actions really do speak louder than words.

A big part of what we do is our drop-in session Venue on Mondays, Wednesdays and Fridays from 3:30-5:30 which is full of fun, games and hot chocolate! We also run The Studio here where we record music or podcasts based on discussion topics the young people are passionate about. Outside of this we do 1-1 mentoring sessions in schools with our project Headspace where we help young people with their mental health. We also have our detached youth work project OutThere!

Our last litter pick, 16 bags plus one plastic reindeer, collected by 10 volunteers.

The new kids play area intended for children up to 12 years. Photo taken on the first Sunday after it had been declared open. There were approximately 200 children and parents in the play area on a sunny Sunday in March. It has taken FOPPs 3 years to get this play park reinstated. So it was encouraging to see it in use.
