

This is Lavinia Barnsley, know to her friends as Vinni.

Lavinia has just finished her degree course in music at BIMM University and is now a Bachelor of Music. One of her musical instruments is the piano, but her instrument of choice, which she always has with her, is her voice.

On Saturday, December 20th, between 11 and 1 o'clock, at the Botanico Café in House of Fraser, Lavinia entertained us with carols and songs with a Christmas theme, to the great delight of those present.

Thank you Vinni.
