Rob Pocock: MORE CASH FOR LOCAL COMMUNITIES!

To follow up my Gatepost news piece last month, there is more good news now that the City Council's finances are back on track. Last month I set out the proposals for us having an independent Council Officer appointed to our Sutton Vesey Ward area. That officer would assist community groups such as the Banners Gate Neighbourhood Forum, Friends of King George V Playing Fields, The Greenway, Prince Alice Park, Friends of Banners Gate and Boldmere Park Gates, and all the users of the Banners Gate Community Hall etc - and independently help them develop local community projects.

On top of that announcement, there is more fresh good news. The 'Local Partnership Officer' of the City Council will also administer another new local neighbourhood investment scheme – this is a new community fund of £20,000 a year for our area, to help support these groups and local projects. I hope we can actually expand this fund in future.

This 'Thriving Communities Fund' is being lined up for every local ward in the city – on an equal basis, irrespective of where they are or what people live there. In Sutton Vesey we will get exactly our fair share, per head of population, as anywhere else across the City.

Once the City Council has confirmed its coming year's budget this will come into play in the new financial year from April 2026-07 and beyond. Details of how the scheme will work will be announced shortly – watch this space!

And this community fund is not all. Announced this week is a proposed huge increase in a devolved 'environment and transport' funding pot. For our Sutton Vesey area this new fund would be an additional £100,000 extra a year for 3 years, for local areas and residents to improve road safety, environmental quality, traffic problems and pollution. It's funded not from your Council Tax, but from the Clean Air Zone fees that are paid by drivers of polluting vehicles who drive into the central city clean air zone.

Again, we need to wait for a final budget decision before these funds are released. But it is all good news for local residents at long last. Birmingham Council has been through a rocky patch but with spring now in the air, there are green shoots showing at last!

Max Hatton: Hello Gatepost readers! With longer days, brighter mornings and the first splashes of blossom, spring is making itself known across our neighbourhood.

It's a season of spring cleaning—whether that means a long-overdue clear-out in the garden, a first picnic if the weather behaves, or simply opening the windows and letting in some much-needed fresh air. Keep an eye out for daffodils, tulips and early bees on the move; they're a good reminder that warmer weeks are on the way.

Spring gardening: simple jobs that make a big difference

- Give borders a tidy-up: remove winter debris, cut back dead growth, and leave any healthy new shoots.
- Feed and mulch: a thin layer of compost or well-rotted manure helps retain moisture and improves soil as it breaks down.

- Start sowing: hardy annuals and salad leaves can often be started now—check seed packets for guidance and protect young plants from late frosts.

- Pot and plan: if you're short on space, pots and window boxes are perfect for herbs (parsley, chives, mint) and spring colour.

- Prune with purpose: trim roses and summer-flowering shrubs if you haven't already, and remove any damaged branches after winter winds.

Be kind to wildlife: a shallow dish of water, a log pile, or letting a corner grow a little wild can all help pollinators and birds.

With the Easter holidays approaching, it's also a great time to plan a few low-key activities that make the most of the season: a family walk to spot blossom, a simple scavenger hunt in the park, or an afternoon of planting sunflower seeds to see whose grows tallest by summer.

Wherever spring finds you this year, I hope it brings a little extra light and energy to your days. Wishing you all a peaceful (and chocolate-filled) Easter!

John Cooper

Royal Sutton Coldfield Town Councillor

johncooper@suttoncoldfieldtowncouncil.gov.uk

2026 marks the end of the third session of the Town Council and has seen the last years as maturing years being able to take on more responsibilities from the City and funding these new services in an appropriate manner. The libraries are now open for an extra day and money is being spent on repairs to the fabric of the buildings.

Although we still await the transfer of half of the ten allotments, the TC is spending money on all the allotments sites to improve them and make the management of them match the care and enthusiasm shown by the plot holders, the Town Council continues to develop the florals within the town and will be entering the Britain in Bloom contest once again.

The much-appreciated Town Ranger service continues to expand offering even more great work for our Town, taking responsibility for traffic islands and verges on a progressive basis with regular scheduled visit to sites supplemented by one off requests.

The elections next month will decide how this endeavour develops but there are many more things that can be done to make this lovely Town of ours even more special. The next major development will be Sutton Park as to its future management; a vital decision to be made very soon. Sutton Park is very precious to all its users and needs investment urgently.

Boldmere Summer Festival – Sunday 7th June 2026

Please read carefully as this includes a lot of information about the Summer festival. If you have a neighbouring business or organisation that is new to Boldmere, please ask them to email us info@boldmere.org so we can pass on information to them in the future.

Boldmere Summer Festival – Sunday 7th June 2026

This year's Summer festival will take place on **Sunday 7th June 2026 from 1pm to 6pm** with the road closed from 10am to 9pm. Details of the event are at <https://www.boldmere.org/community-festivals/summer-2026/>

Boldmere Businesses Booking Gazebos and Pitch Space

We always give priority to Boldmere's own businesses and organisations and so we would urge you to fill in the form at www.boldmere.org/stalls to let us know if you would like to book pitch space from us. Boldmere businesses hiring pitch space get a gazebo included free of charge if you don't have your own. We need to know by the end of March so that we can then allocate any remaining gazebos and pitch space to other stalls. I'd also like to welcome Alexandria to the team who will be managing the stalls for this festival and thank Sophie for her efforts for the previous 2 festivals.

A Risky Summer Festival

We are taking a risk with this festival as we haven't yet secured funding. We had to cancel Christmas 2025 due to a lack of funding. If we don't get grant funding for this festival or contributions from businesses on the street that benefit most from the festival then we will most likely exhaust all of our reserves which will make it extremely difficult to attract grant funding in the future and therefore mean an end to the festivals and most likely Boldmere Futures CIC which does so much to keep Boldmere buzzing for everyone.

If you are interested in sponsoring the event, please contact info@boldmere.org

Would you like to Volunteer to help?

We are always looking for people who have a passion for Boldmere to join us at Boldmere Futures CIC (a not-for-profit community group) or to help with the running of festivals. If you could help with the festivals, please have a look at www.boldmere.org/volunteer where there is further information and a very short application form to fill in. If you are interested in helping Boldmere Futures CIC as a wider organisation beyond the festivals, then please email info@boldmere.org

If you have any questions, please do not hesitate to contact me after 2nd March (please note that I will be on holiday for the rest of February).

Kind regards

On behalf of Boldmere Futures CIC

LRM, a teenager living with Compass Foster Carers

Anji and Andrew's Story

When Anji and Andrew first explored fostering, they were motivated by a need they saw in their own community—the shortage of Black foster carers across England.

After speaking to friends who were already fostering with Compass, they felt reassured by the honest experiences shared and decided it was the right path for them. 25 years later, they've cared for many children, supported by both Compass and their wider community. As Anji explains,

“ You have your core foster family, but it's also about your wider community and the extended parts of that.

For them, fostering has always been about combining love, cultural understanding, and shared wisdom to give children the best possible start.

Every child needs someone in their corner. Every carer needs Compass in theirs.

With our expert support, training, and community, you'll have everything you need to succeed. Start your fostering journey today.

Cost of Living 1965 to now 2026

As a sequel to my article in the last edition of Gatepost ; “ **Motoring the Good Old Days**”.

I thought it might be interesting to look at the cost of living in 1965 compared to today.

Inflation and the value of the pound are the main reasons for price rises but increases in wages and salaries over the years have tended to keep pace with rising costs.

Many of the 1960's basics are more expensive today but most groceries are the same if not cheaper.

In 1965 wages were £750-£1000 /year, average salary today is about £40,000/year.

Some things such as buying a house are very much dearer. Average house price in 1965 was £3300 (equivalent to about £40,000 today). The average house price in 2025 was £273,000!

Newspapers were 2.5d-5d (1-2p).

Post; 2nd 4d (2p), 1st 5d (2.5p), (now 87p/£1.70). Unfortunately (or fortunately because of the huge rise in the cost of postage) letter writing appears to be a thing of the past with the increased use of eMail and the internet. The post was delivered every day except Sundays and you got to know your Postman/Postwoman.

Buying a TV Set in 1965 was expensive, the average set cost about £ 280 (equivalent to £3200 today). Most people rented their TV Sets at £1-£2 per week.

Grocery prices are interesting; Bread then 7.5p/loaf now £1.50, Butter 8-10p, £1.98.; Eggs (dozen) 17-20p, £3.80. Baked Beans 4-8p, £0.42. Cornflakes 9p, £2.29. Sugar 8p, £1.09. Milk 4pts 14p, now £1.65.

In those days the milk was delivered in glass bottles by a milkman or woman doing their rounds. He or she arrived much the same time everyday, come rain or shine and they became a “ friend “ to many people. Today most people buy their milk at a supermarket in cartons/plastic bottles of either 2/4/6 litres.

The major change in costs/prices took place on the 19th November 1967 when Prime Minister, Harold Wilson devalued the pound by 14.3%. He used the famous phrase “The pound in your pocket”. The devaluation immediately led to increased costs for imported goods and consequently an increase in inflation.

Matters were made worse by a further devaluation by James Callaghan in 1976.

We have lost the daily contact from the Milkman/Postman and other regular visitors. For many people this was their only link with the outside world.

Nowadays we enjoy more goods exotic foods, holidays etc but are things better than the “ Good Old Days ?”

Banners Gaters - Friends of the Gates

At the beginning of June last year Banners Gaters were told that, due to the BCC drastic reduction of the number of park rangers in the city, resulting in the effective withdrawal of the rangers from Sutton Park, our group would have to be axed. We weren't going to give up that easily, so we all joined Friends of the Gates, which meant we had the necessary insurance to continue without a ranger present, albeit with severe limitations on what we're allowed to do. Although we are fully insured to use domestic power tools, up to and including petrol mowers, we need the permission of the landowner, in this case Birmingham City Council, and they have a policy that forbids volunteers to use any power tools.

We are told that updating this policy is in progress, but nothing has happened so far. We could clear a lot more nettles and brambles that are encroaching on paths with a strimmer or hedge trimmer, as many passersby keep telling us!

For the past few months, using loppers and hand saws, we have been clearing holly, which has been allowed to grow without coppicing for many years, from Westwood Coppice. This allows light to reach the woodland floor so that other plants, long since missing, can grow again.

At first, we used holly trimmings to build dry hedges on the ancient boundary, to protect them but, now we've moved away from the banks, it's too far to carry them so we've left them in piles which will eventually rot down. We're careful to leave most of the female (berry bearing) trees intact plus enough male trees for fertilisation and we take care not to disturb nesting birds or other animals.

It will take years to clear the whole of Westwood Coppice of overgrown holly by hand, and most of our group are pensioners. More volunteers are needed so, if you can, please join us.

We meet every Monday at 11am on Banners Gate car park except on Bank holidays or if the weather's really bad and finish at 2pm. Coffee break is at 12.30 so bring a drink. Wear old clothes and, if you have them, bring any suitable hand tools with you.

Online safety advice

Online marketplaces and selling platforms have made it easier than ever to turn unwanted items into cash. Whether you're clearing out your wardrobe, selling electronics or passing on furniture, the internet offers a huge audience and fast, easy transactions.

But with convenience comes risk: it's commonplace for fraudsters to target sellers with scams designed to steal money or goods. Get Safe Online has put together some clear, practical advice to help you sell confidently and securely, however much or little experience you have.

[Selling online safely - Get Safe Online](#)

Secondly, as many small businesses will be required to use HMRC's Making Tax Digital from April 6th, there is no better time to reflect online habits too. Latest data shows that companies in the plumbing and heating sector are currently being heavily targeted by fraudsters, so, if you are in this trade, it has never been more important to be tooled up with expert fraud prevention advice. Read our expert advice, which can be accessed here:

Booking

You can book:

- not less than 2 hours before the time you want to attend the HRC
- no more than 3 days before your visit

2 visits at the same time - these could be on the same day or in the same week

Your confirmation should be emailed to you within an hour. This email will tell you the 15-minute slot that you have been allocated. If you cannot see this email in your inbox, check your spam or junk folder.

When you have 2 visits booked, you can book further visits from the day after you have attended the first visit. For example, if you book for Monday and Thursday then you can book your next visit from Tuesday.

From Monday 12 May, the booking system will be temporarily removed from the Castle Bromwich HRC, and a pre-booked slot won't be required to visit the site. This is subject to change. You still need to bring proof of address to show you live in Birmingham. The booking system remains in place for the other 4 HRCs.

You need to bring proof of address to show you live in Birmingham. This evidence could be:

- driving licence
- utility bill

Council tax bill - paper or digital

Read the instructions on the booking website carefully. For example, there are height restrictions at some sites.

Independent Age

Free benefits check for people over 65

Are you getting all the financial support you're entitled to?

Many older people miss out on extra money they could be getting each week. They may not know what financial support is available, or how to apply. Don't let that be you.

There must be a lot of people entitled to Pension Credit who just don't know they are. I'm grateful to Independent Age – they've made my life better. Making that call to them was one of the best things I've done.

Call our Helpline for free on **0800 319 6789** (Monday to Friday, 8.30am to 5.30pm) quoting 'Free Guide 468', or email helpline@independentage.org to arrange a benefits check.

Our advisers will help work out what you're entitled to. You might qualify for:

- Pension Credit
- Attendance Allowance
- Housing Benefit
- Council Tax Support.

Even if you think you're getting everything you're entitled to, it's always worth checking.

Find out what you could claim and get help to apply.

Sutton Cottage Redevelopment Plans

Extensive refurbishment

Integrated health service

Wellbeing hub for older adults

Work has begun on an £8.5 million scheme to transform Sutton Cottage into an integrated hub of healthcare services for older people.

Due to open to the public in the winter of 2025/26, the extensive transformation safeguards the future of the historic site as a one-stop health and wellbeing hub for over-65s.

The hub will provide an integrated set of secondary, community and primary care services (e.g. respiratory, diabetes, podiatry, dietetics, chronic kidney disease, frailty, musculoskeletal services).

That means patients will be able to see more than one specialist in a single visit, delivering a more personalised and holistic approach to healthcare.

NHS

While construction work is going on ...

Maintaining clinical service delivery as close to Sutton Cottage as possible is a priority, particularly when NHS services are under severe pressure.

To achieve this, we've temporarily moved some of our adult clinics into Portakabins behind Sutton Cottage, in Duke Street.

We will continue to do all we can to minimise disruption around the site. We have rented 19 spaces in South Parade car park for staff to use, to help relieve some of the pressure on parking in Duke Street.

The NHS is innovating to deliver the care people need closer to home, easing the pressure on our acute hospitals.

Sutton Cottage - a proud part of the Royal Town's past; now secure as a beacon for community-based healthcare delivery in the future.

Complex care

Complex care, also known as long-term care or continuing care, is given to patients with significant, continuing healthcare issues such as chronic illness and disabilities that can arise after receiving hospital treatment. When my own mother-in-law's health was fading, we discovered this remarkable service and it gave her a new lease of life at 93!

Do you know anyone who is partially sighted or blind? If so, they may benefit from listening to a local audio newspaper. Or indeed a monthly magazine and a history talk? This is a completely free of charge service, including the loan of equipment to allow you to listen to these articles. It is enjoyed by many people of all ages, some of whom are housebound.

Blind and visually impaired people in the wider Birmingham area can obtain audio versions of local newspaper articles and a range of weekly and monthly audio magazines. These are provided free of charge for listeners who have registered with our service.

You can apply by filling out the registration form which can be found at www.btnbvi.org. Or by contacting 0300 330 1404 for more information. We will then explain the service that we provide, all completely free of charge.

Please note that we never pass your information to anyone else and you can unsubscribe from our service at any time.

BSWA

UPDATES AT WOMEN'S AID CHARITY SHOP BOLDMERE

Hello Sutton Coldfield Community!

As the vibrant energy of spring fills the air, we're excited to share a few updates from the BSWA charity shop, nestled in the heart of Boldmere. As usual our dedicated team of volunteers keep the shop bustling with activity, offering an extensive selection of quality items and clothing, with fantastic bargains awaiting discovery. We're proud to be part of the vibrant charity community in Boldmere, with our shop offering an extensive selection of women's and men's clothing, bric-a-brac, books, toys and more. Whether you're searching for unique treasures or everyday essentials, you'll find it at our lovely shop.

So what's new?

Earlier in the year we hosted a delightful 'Coffee and Cake Volunteer Morning', where we welcomed guests to learn about our volunteering opportunities while indulging in some delicious treats!

Our Easter celebrations were a great success, with a lucky raffle winner taking home fantastic prizes, including gifts handknitted by BSWA volunteers, as well as a huge chocolate egg! A big thank you to everyone who participated and supported our Easter raffle.

We are also delighted to announce that we are now open on Sundays, even more opportunity for you to shop for a cause!

Supporting Birmingham and Solihull Women's Aid, we're dedicated to tackling domestic abuse and empowering survivors in our community. With every purchase and donation, you're contributing to this important cause. Pop in and say hello, and look out for our upcoming events and sale

Are you a woman passionate about making a difference in your community? Whether you're a seasoned volunteer or new to the world of charity work, we welcome you to join us. Pop in or reach out to volunteering@bswaid.org to learn more about our volunteering roles. Whether you're donating, volunteering or shopping, your contribution makes a meaningful impact.

Phone Scams

Do you know that nearly a third of all fraud is committed over the telephone?

Criminals are experts at impersonating people or organisations (like banks, the tax office or even the police).

They spend hours researching you for their scams, hoping you'll let your guard down for just a moment. **Stop and think.** It could protect you and your money.

Stop: Taking a moment to stop and think before parting with your money or information could keep you safe.

Challenge: Could it be fake? It's OK to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.

Protect: Contact your bank immediately if you think you've fallen for a scam and report it to Action Fraud here: [Action Fraud](#)

Action on ASB - Have your say on antisocial behaviour in your community

We're launching a new survey in partnership with the Office of the Police and Crime Commissioner to capture your thoughts and concerns about antisocial behaviour in your community.

We've developed a plan to reduce antisocial behaviour for 2026 onwards, and your views are central to helping this plan continue to grow and work effectively for our communities.

The survey will give you the opportunity to share your experiences and ideas to help ensure the plan reflects the needs of our community, and how well police are delivering a service for you.

Antisocial behaviour can have a real impact on how safe people feel where they live. By taking part in the survey, you can help West Midlands Police identify what matters most in your area and where action should be focused.

The survey will be open throughout February, and

Feedback from the survey will directly inform the approach taken by West Midlands Police and partners to reduce and prevent antisocial behaviour moving forward.

To have your say, complete the survey before 28 February:

Protect yourself from courier fraud

Criminals are targeting people by posing as police officers and banks to steal life savings and we need your help to stop them.

Courier fraud relies entirely on fear and urgency. A caller will claim to be a police officer or a bank official and tell you that your account is at risk or that your identity has been stolen. They might ask for your bank card PIN, tell you to withdraw or transfer large sums of money, or even pressure you into buying luxury items like gold, jewellery, or high-end electronics.

They often claim this is part of a secret investigation to catch a corrupt bank employee. Once you have the money or goods, they send a courier to your door to collect them.

It is important to remember that the police or your bank will never ask for your PIN, tell you to withdraw or transfer money, or send someone to your home to collect money or valuables. They will also never ask you to move your savings into a so-called safe account.

If you receive a call like this, the best thing you can do is hang up immediately.

If you have already been targeted by this scam, please know that this is not your fault. These fraudsters are professional manipulators who are trained to deceive.

Support is available for you and reporting the incident is the most effective way to help us catch those responsible. If a courier is on the way or already at your door, call 999 immediately as this is a crime in progress.

Please share this warning with your loved ones and keep a close eye on elderly family members or neighbours who may be more vulnerable to these tactics.

HelpinBrum

Find Help In Brum Are you concerned about the rise in cost of living?

Find some helpful contact details for advice and support.

Birmingham City Council and partners are working to support and offer guidance to our residents during the cost of living crisis in the UK.

We want to support as many of our residents as possible across key areas which are outlined in this leaflet.

Warm Welcome:

We are working with the local community and a partnership of voluntary and community sector organisations to expand a network of warm spaces. These spaces will be available for people to use and visit during the winter period and beyond.

There are several existing Warm Welcome Spaces within local communities across the city. Warm Welcome Spaces are:

- inclusive and non-judgmental
- heated and free to access

The services at each space will vary but may include:

- information on further support and available guidance
- opportunities to participate in activities and learn new things
- free internet access, computers and charging points
- a friendly environment to connect with others within the community

You can find details of our current Birmingham Warm Welcome Spaces at www.birmingham.gov.uk/warmwelcome

Keeping checking back online as more spaces will be launched weekly.

Benefits and Money Advice:

During the cost of living crisis, it is also important to ensure you have access to the right benefits and money advice for you. There are several information portals below which can help.

To find out what benefits you are entitled to, it is best to use the Benefits Calculator provided by the Government. Find out more by using this link

www.gov.uk/check-benefits-financial-support

Birmingham City Council has also developed several support factsheets which provide useful information on a range of debt related issues. You can view and download information on www.birmingham.gov.uk/debtadviceteam

If you are struggling with debt and need advice and support you can also visit www.birmingham.gov.uk/helpinbrum which can help direct you to the right information.

Energy Efficiency:

As energy costs rise we are committed to reducing energy bills and helping everyone to keep warm as we head into the winter months.

There are several schemes already available for residents, with full information and guidance available at

www.birmingham.gov.uk/energyhelp

There has been a significant rise in energy scams linked to the cost of living crisis.

There is some helpful support on the Birmingham City Council website to avoid these scams.

www.birmingham.gov.uk/energyscam

Food Support:

The cost of living crisis has made it much more difficult for many people to afford food. If this is something you are experiencing, there are several information points below which can help.

Foodbanks:

We know that accessing a foodbank or other projects for the first time can be daunting. However, the volunteers do their utmost to make visitors feel welcome.

With one visitor saying "It was just a small personal touch that made you feel welcome and on the occasions where I was on a tiny budget, it also felt like somebody did care that times were tough."

Cold weather conundrums

We answer this month's most asked questions, from how birds stay toasty when temperatures tumble, to why you might see Blackcaps this December. Plus, try our winter bingo challenge!

[Expert Exclamations](#)

It's the last Notes on Nature of 2025, and we've a bumper issue to see you through to the New Year!

This month wildlife expert Bethany Dean reveals six winter wonders to see right now, how birds keep warm, and why you might still be seeing Blackcaps.

We'd also love you to enjoy a moment reading about some remarkable Wins for Wildlife in 2025 – none of which would be possible without your support.

Discover how many thousands of species live on RSPB nature reserves, which birds bred where for the first time ever, and the ambitious landscape-scale projects delivering for wildlife.

Together, we're helping birds bounce back, creating places where wildlife can thrive, and taking action for nature that makes a real difference.

Thank you wholeheartedly for being with us throughout the year. Wishing you a very happy festive season!

Occupational Therapy

Who will come to visit me?

An Occupational therapist (OT) will visit you at your home to talk to you about enablement and what it means to you.

An OT is a person who listens to what you want to achieve and empowers you to reach your goals. OTs work with people across all age groups to do the things they want to do and need to do in their lives.

An OT will ask you how you are managing your daily tasks and will work with you to be as independent as you can be.

This could mean giving you tips on how to make tasks easier or giving you equipment or adaptations around your home.

What is the Learning Disability Enablement Team ?

We are a team of enthusiastic people who teach daily living skills to people with a learning disability aged over 17 plus in their own homes and outside, we provide a weekly service, to visit you at home and work on tasks you need and want to do. Our team is made up of occupational therapists (OT), enablement assistants and enablement officers.

- Design a step by step plan with you to achieve your goals
- See if you need equipment or home adaptations to make you safe
- and any further support you may need

The enablement team will:

- Introduce you to a weekly enablement assistant, who is the same person each week who will work with you on your goals for up to 6 months
- Each week your enablement assistant will visit you at home normally at the same time and day, to work on your goals using your step by step

Do you love plants? Enjoy looking at gardens?
Spending time with like-minded people?

Come and join us at
**"The Royal Sutton Coldfield Fuchsia & Gardening
Guild"**

We have speakers each month on all aspects of gardening & wildlife, often bringing plants for sale. Fuchsias are always available including varieties not widely available.

Have a look at our Facebook page and website 'www.suttonfuchsia.co.uk' or telephone our secretary Gail on 0121 353 3373 for more information.

We meet on the 2nd Thursday of each month (excluding January) at

Banners Gate Community Church, Westwood Rd, B73 6UH

Doors open at 7:30pm for an 8:00pm kick off.

Refreshments available.

We are a growing society, please come and join us!

The Sutton Coldfield Fuchsia Society & Gardening Guild.

At our September meeting we had something a little different. We welcomed Andy and Kate from a company called Urban Herbs, who told us not only about the amazing herbs they grow, but also about how their company started and the impact that COVID and lockdown had. Like many businesses, they had to reevaluate how they sold their products and a mail order company was born. A few years down the line, they can be found at the major shows like the BBC Food show at the NEC, and have even featured on the TV with James Martin on Saturday Morning Kitchen!!

In October we need to be thinking about protecting our plants over winter, so at our next meeting on October 9th, two of our more experienced members will be showing you how to prepare and protect your plants during the winter months. Whether you have a heated greenhouse or just a garden shed, many fuchsias are easy to overwinter, by following a few simple guidelines. By doing this, fuchsias can be amazing value for money, as your hanging basket can go from year to year, getting better with age!!

So, if you fancy an evening out, please come along and join us. Come as a visitor for just £2! We meet at Banners Gate Community Church in Westwood Rd , B73 6UH on the second Thursday of each month, except for January. Doors open at 7.30pm for an 8.00pm start, until 9.45

If you would like any more information, please give Gail, our secretary a call on 07307857440, a very warm welcome awaits you.

About this leaflet

This leaflet is based on learning from Scotland's A Menu for Change project and has been developed with support from the organisations below. You can access the 'Worrying About Money?' leaflets online at www.foodaidnetwork.org.uk/cash-first-leaflets. The information on this leaflet was last updated on 06/12/21.

Worrying about money?

Support is available in Birmingham

Three steps to find options and places to get help

Step 1: What's the problem?

I suddenly have no money

- Lost job or reduced hours
- Money stopped
- Lost money
- Unexpected expense
- Disaster (e.g. flood or fire)
- Relationship breakdown
- Sanctioned (see option: 5)

See options 1 2 6

My money doesn't stretch far enough

- Deciding between food, fuel, and mobile credit
- Low income
- Zero hours contract
- Statutory Sick Pay too low
- Facing redundancy
- Not sure if eligible for support
- Change of circumstance

See option 1 2

I have debt

- Rent or Council Tax
- Gas and electricity
- Payday loans
- Owe friends or family
- Benefit repayments

See option 3

I am waiting on a benefit payment or advance

- New claim for benefit
- Payment delayed
- Waiting for decision

See options 1 4

Step 2: What are some options?

1 Council Support Schemes

People on low incomes may be eligible for **Housing Benefit**, **Council Tax Support** and **Discretionary Housing Payment** from the council. This will depend on your current circumstances. You may also be eligible for a **Council Tax Discretionary Hardship Payment**, **Crisis Grant** or **Community Support Grant** Payment.

Find out more at: www.birmingham.gov.uk/benefits

2 Maximise Your Income

Anyone who is struggling financially can get a benefit check and speak to an advisor for free and confidential advice. A benefit check can ensure that you are receiving all the money you're entitled to, especially if your circumstances have changed recently. Speaking to an advisor could also help you find cheaper deals on things like gas and electricity and make sure you're not missing out on things like school clothing grants or free school meals.

3 Debt Advice

Debt can happen to anyone. Free advice and support can help you find ways to manage your debts and reduce how much you pay each month.

4 Benefit Advance

If you have made a new claim for benefit and are in financial hardship while you wait for your first payment, you may be able to get an advance to afford things like rent or food. It's important to get advice before taking out an advance. Benefit advances must be paid back, and the money will be taken from your future benefit payments (a loan).

5 Hardship Payment

If you have been sanctioned, you may be able to request a hardship payment from the Jobcentre. Hardship payments are not always paid immediately, and they're not available to everyone. Hardship payments of Universal Credit need to be paid back (a loan), but hardship payments of Job Seekers Allowance or Employment Support Allowance do not (not a loan).

6 Challenge a Decision

You can challenge a benefit decision if your benefit has been stopped / sanctioned / reduced / refused or you have been overpaid. Most benefit decisions need to be challenged within one month.

Step 3: Where can I get help? Each of these services offer free and confidential advice
